

Ward Temple and Family History Plan

Liberty 2nd Ward

Objectives are to help ward members invite the blessings of the Temple and family history into their lives. Encourage them to attend the Temple as often as circumstances allow for themselves as well as other family members. Assist members in creating their family plan in discovering ancestors and give them opportunities of Temple blessings.

Ward Temple and Family History Consultants including youth consultants are available to assist ward youth and adult members individually with all phases of Family History work:

- *Creating a Family Search account
- *Updating and entering records including memories (photos, stories, documents) in Family Tree
- * Completing at least four generations in FamilySearch
- * Coordinate with Ward Mission Leader to ensure new members are taught why we do family history and help them create a Family Search account within 3 to 4 months following baptism and assist monthly.
- *Assist youth and adult ward members in finding ancestors in need of ordinances before Temple visit

Youth Leaders assist eligible youth in obtaining Limited Use Recommend and arrange Temple visits to preform baptisms.

Ward council to determine monthly or quarterly Ward Temple Day.

Training will be available for new Family History Consultants if needed.

Strive to involve ward members in doing indexing.

Ward Temple and Family History coordination meeting scheduled as needed.
